月夜幻談

The immortal life,
Vempires reside in e shede of honour end splendour
With their rightest morality.
While, the currupted mind of mortals conceive the keenest evil
The Priest is already an accomplice of insanity
Molten into the Inferno
The ripped body end shettered soul cries out
"yes! this is not about revenge, but for the unrecoverable wound!"
The bloody feast of the final ect will be held in the abyss
